++ Valid for broadcast between 1800 and 0600

Headline:
Dry for many but rain for some, particularly Wales.

This Evening and Tonight:
Rain over northern Scotland easing and clearing into the North Sea. Then turning chilly in the far north. Mostly dry elsewhere with clear spells. A few fog patches in the southwest. Becoming cloudier here later.

Sunday:
Cloud spreading from the far south with rain developing over Wales and perhaps parts of southwest England. Elsewhere mostly dry with some sunshine but a little cooler than Saturday.

Outlook for Monday to Wednesday:
Cloud and outbreaks of rain across some southern and western areas Monday, drier elsewhere. Risk of heavy showers Tuesday, especially in the south. Many places dry with sunny spells Wednesday.
